

Chrita Banjeree

Divakarumi PRESENTS:

# Yuba City School

"And when he turns,  
ghost laughter all around  
his bleeding knees."

"They are waiting for  
him to open his mouth, so  
they can steal his voice."

This story makes me feel a bit angry because I know how it feels to have everyone laughing at you when you're down. To me, no one really cares for Neeraj because when his knees were bleeding, everyone laughed at him instead of helping him.
